

Shift Team 6 Meeting Minutes
4/8/2021

Attendees:

- Cody Ezell
- Corey Welborn
- Steven Davis
- Zachary Light
- Matthew Crocker

Items Discussed and Decisions Made:

- Final presentation requirements:
 - everyone needs updated copies in their repositories
 - stub incomplete sections
 - critique others' presentations
- Join scanner to app

Action Items:

- Final testing and minor tweaks
 - Corey will make minor tweaks and adjustments.
 - Fix home page
 - make nav buttons work correctly now that the necessary fragments exist
 - have the statistics pull actual data and not just display a sample
 - Cody will run tests on the app in Android Studio
 - Matthew will run tests on the app's scanner on his phone
- Everyone - Continue work on documentation
- Matthew and Zach will meet on Saturday to join all fragments the team has worked on separately.
- We will each update our PowerPoint slides for the final presentation.
 - Zach will change the problems slide to incomplete elements/stubs slide.
