

Shift Team 6 Meeting Minutes
2/18/2021

Attendees:

- Cody Ezell
- Corey Welborn
- ~~David Lamb~~
- Steven Davis
- Zachary Light
- Matthew Crocker

Items Discussed and Decisions Made:

- Reviewed logo designs and made additional design suggestions
- Discussed having Corey assist the GUI team.
- Discussed creating a sample inventory for database testing.
- Created a new scheduled group work time on Tuesday nights at 8:30.
- Discussed progress on Database and GUI. Database is designed but not online. GUI has made very little progress.
- Discussed using Host Gator to put Database online. Will cost around \$65 for the semester and we will all split the cost.
- Cody met with the other team leaders and discussed times for our design review presentation.
- We implemented a schedule for our project goals.

Action Items:

- Corey and Zach will edit database and get a domain to put the database online.
- Cody and Matthew will continue work on the GUI with Corey's assistance.
- Stephen will make several more logo design options.
- Steven will begin the documentation for the project and assign us portions to work on later.
