

Shift Team 6 Meeting Minutes
3/25/2021

Attendees:

- Cody Ezell
- Corey Welborn
- Steven Davis
- Zachary Light
- Matthew Crocker

Items Discussed and Decisions Made:

- Discussed progress made last week.
- Steven's computer is on the fritz and may not be able to run Android studio in the near future.

Action Items:

- Remaining items will be a group effort:
 - Create a fragment for individual items where their details are displayed and can be altered. Also add a delete option to this so the item can be deleted.
 - Code the new fragment's actions
 - Add onClick function to the inventory table so items can navigate to their individual item fragment.
- Corey has the most experience with Kotlin and will oversee the team here.
